Public invited to meeting about environmental studies at Former Laredo Air Force Base

The public is invited to an information meeting about the U.S. Army Corps of Engineers' environmental studies at the Former Laredo Air Force Base.

The meeting will be held from 7-8:30 p.m. Tuesday, Sept. 17, at the Newman Elementary School cafeteria, 1300 Alta Vista in Laredo.

There will be a formal presentation about the results of environmental studies conducted at six locations at the former base with emphasis on the sites in the Alta Vista neighborhood. While the presentation will be in English, a Spanish translator will be available to provide information following the presentation.

Additional information about the Corps' Former Laredo Air Force Base project is available at the Laredo Public Library, 1120 East Calton. For more information about the public information meeting, call (817) 886-1313.
